Miller Media Release – New Miller Dealer

Miller St. Nazianz, Inc. is pleased to announce the addition of a new Miller dealer in Iowa. NESSA Inc. of Zearing, IA, has been granted the Miller Condor product line. They will represent these products in a territory surrounding their location in Zearing.

“We are pleased to extend a warm welcome to Kevin and Janie Nessa as our latest Miller Condor dealer,” according to Tim Criddle, Director of Marketing at Miller. “Iowa is a very important market for us at Miller. Collectively, leveraging the strengths of both the Condor sprayer and dry floater configurations, as well as NESSA’s 30 years in business serving the sprayer market around Zearing, we feel our customers will be well served through this exciting new dealer arrangement.”

Kevin and Janie Nessa are working closely with Todd Frish, Miller's regional Territory Manager, to introduce and market the Condor products to their customers.

Welcome NESSA Inc. as we wish you tremendous success with the Condor lines while we work together to increase sales and capture greater market share with the farmers and commercial applicators in Iowa.
